

PLEASANT STREET BLOCK PARTY

AUGUST 13, 2022
3:00 PM - 8:00 PM

Pleasant Street - Claremont, NH

Join the community to celebrate the completion of this
exciting revitalization project!

Rain date August 14, 2022

The Pleasant Street Project

The goal of the project was to revitalize Claremont's downtown by creating a more accessible and inviting street, including a complete streets approach to design, accessible parking, and updated utilities.

From the initial public presentation on the Pleasant Street project in January of 2019, the citizens of Claremont were invited to a number of open sessions to offer and discuss ideas, and decide as a community on the concepts and updates that would best showcase our beautiful downtown.

To celebrate the project's completion, the City once again called upon the community and local businesses to plan and participate in this exciting event!
